You can help make Catholic schools available to needy children now and later

How you can help now:

- **Give cash.** It will have an immediate impact and provide a sustainable source of income for the CISE Foundation to support Catholic education for the children of Cincinnati’s urban neighborhoods for generations to come.

- **Give stock.** Appreciated stock (owned for more than one year with a current value greater than their original cost) can provide a nice form of support that may also give tax benefits to the donor.

- **Set up a charitable lead trust.** A lead trust pays the CISE Foundation during the lifetime of the donor or for a set number of years. The remainder reverts to the donor or beneficiary at the end of the term.

How you can help later:

- **Include the CISE Foundation in your will.** Bequests enable individuals to make significant gifts that they may not have been able to make during life.

- **Name the CISE Foundation as a beneficiary of your IRA or other tax deferred retirement plan assets.** Gifts of retirement assets are a good way to leave a legacy.

- **Set up a charitable remainder annuity trust or a charitable remainder unitrust.** Both trusts are irrevocable and can be established with gifts of cash, securities or property. You, the donor, receive income for life based on the amount placed in the trust and possible market fluctuations. Upon the death of the last income beneficiary, the remaining value of the trust reverts to the CISE Foundation.

- **Purchase or give an existing life insurance policy naming the CISE Foundation as the beneficiary.** A relatively small amount of premiums can translate into a large and meaningful gift.
